

## SUN SHADE

Anna Karlin

Based on the idea of a swivel arm, this wall light has a rotating reflector – allowing you to direct the light as you wish.

### Model Specs

The exterior is finished in an oil rubbed bronze patina (a rich warm black). This piece can be hard wired into the wall or purchased with a plug.

### Dimensions

SHADE = 22" DIA x 4" H  
FROM WALL TO END OF SHADE = 53"
